Flavorchem Acquires Hungarian Flavor Operation

Downers Grove, IL; September 2, 2015: Flavorchem Corporation, a leader in flavor, color and masking solutions for the food and beverage industry, announces the acquisition of a flavor production facility in Kerepes, Hungary. This acquisition adds to Flavorchem's European presence and supports the production of Flavorchem's liquid, powdered and spray-dried products used by the baking, beverage, confectionary and nutraceutical industries. "The acquisition complements and extends our production and distribution of flavor systems, natural extracts, and color processing to better serve customers in Europe and the UK. We look forward to working with the employees in Kerepes who have already demonstrated their strong commitment to quality and food safety by having earned BRC Grade A and ISO9001:2008 certifications," states Ken Malinowski, President of Flavorchem Corporation.

Operating under the name of Flavorchem Europe Kft, the Hungarian facility will be a fully owned subsidiary of Flavorchem Corporation based in the United States. For further information, please contact Flavorchem at +1 630. 932.8100 or flavorchem.com.

About Flavorchem: Flavorchem Corporation is a global manufacturer of flavors & colors for the food, beverage, and nutraceutical industries. At its core, Flavorchem's strength lies in a foundation built on unsurpassed service joined with a focused Quality approach in all facets of operations.

Flavorchem's comprehensive services include flavor and color creation and development as well as masking and sweetener technologies.
